WHEELING, APRIL 19, 1890.

SENATOR BLAIR's speech on his edurison. Had Cleveland been re-elected cational bill contained 273,000 words and through the slightest blunder on the he abused the newspapers because they would not print it all. detailed in these "original" and "re-

Gov. FLEMING's appointments of the vised" editions would never have been various State boards are in the main very written. good, the appointees generally being men well qualified for their respective duties.

A LIMA, Ohlo, school teacher punished granting extraordinary privileges to a her feelings.

"WE are sending missionaries to Africa and other countries, while at the same time we are importing heathen by the ginia Legislature are not confined to thousand." This expression from Mr. Powderly before the committee investigating violations of the contract labor law contains much that is true. It is, of what constitutes an offense, regardless in fact, a whole sermon in itself,

THE action of the Senate yesterday with reference to the World's Fair bill, gives that measure another little setback. There ought to be no delay about of gambling business; in short, it will the matter. The time remaining for the Chicago people to prepare for the big show is little enough, and if the Senate intends to pass the bill at all it should be

THE New York newspaper man who has started on a seven thousand mile voyage in a canoe (from New York har- and according to its charter "all persons bor to the mouth of Columbia river, are prohibited and forbidden to enter Washington,) is the latest victim of the upon any of its lands so enclosed or present mania for unique advertising posted belonging to or leased by the said dodges which prevails among metropolicompany, for any purpose or in any tan newspapers. He carries with him a capacity whatever, without the consent bottle of water from the Atlantic, and of the President or Manager of said comwill celebrate his arrival by emptying it pany. Any person entering, or who, into the Pacific. being thereon by virtue of any perinto the Pacific.

THE Register is informed that the In-THE Register is informed that the IN-TELLIGENCER does not "think its read-ers are fools." On the contrary, it has full enough in their intelligence to befaith enough in their intelligence to be-lieve that they read more than the headlines of the dispatches published in the news columns. Perhaps in this respect are prevented from interfering with the INTELLIGENCER is different from the

The Internoences never said that of patrons of the prize ring backed the Mr. Kenna voted to seat the Republican Senators Ivom Montana. Four Demoscheme, and by others that the Louisiana crats, Mr. Kenna being one, did vote crats, Mr. Kenna being one, did vote is a matter of surprise that the Governo their belief that the Domocratic claim of Virginia did not veto so vicious a ants were not entitled to their seats. and the INTELLIGENCER was not so blindly partisan as not to give them credit for having honest intentions That is all there was in it.

Should Help Him Out.

The Democratic managers in this State are witnessing some of the fruits of the bulldozing methods resorted to by them at the last election. The suit brought for damages, against; ex-United States Marshal Schon, who under the law is responsible for the acts of his deputies, recalls the circumstance of the arrest of a negro in this city after he had been dismissed by a United States Commissioner, having been charged with voting illegally. The man was afterward declared a legal voter by the United States Court and he now

by the United States Court and he now brings the suitmentioned.

There was no justifiable reason for the presence of the United States Marshals at the polls here and they were only appointed for purposes of intimidation and of the presence of the Dayses of the United States Marshals at the polls here and they were only appointed for purposes of intimidation and the polls have been supposed to the determination and the polls have been supposed to the determination and the polls have been supposed to the determination and the polls have been supposed to the determination of the determination of the polls have been supposed to the determination of the polls have been supposed to the determination of the polls have been supposed to the polls have been supposed at the dictates of the Democratic man. ers. Marshal Schon, it was understood at the time, did not see the necessity for ted it is a reflection on the court, which appointing deputice for this purpose, is presumed to know something that the and thought it was impolitic, but it was falsely represented to him that there was ly, the difference between a resident and reason to believe they would be needed a citizen. A man may reside in Japan and he succumbed to the demands of and be a citizen of the United States, the bosses. Just how much the dep- just as he may be a temporary resident uties were needed by the managers was of Chicago and retain his citizenship in afterward developed in the case of the West Virginia. Calvin A. Brice, for incolored man who brings the suit. His stance, resides in a palatial mansion in arrest had the effect to deter others from voting. They knew he was entitled to vote and that they themselves were, but ship in Ohio, and will represent that when they saw a legal voter thrown into State in the United States Senate. Office jail they did not care to expose them- holders at Washington reside in the selves to the same fate.

Mr. cient officer, and they owe it to him to Janes, at the time of the last election, bear for him whatever expense he is put was temporarily residing in Chicago, beto in consequence. tion of making that city his home, and

The animus of the attack on Quay is retaining his citizenship at Wheeling, so plain that it does not need to be explained to intelligent people. Some plained to intelligent people. Some ing with them. Hundreds of Americans time ago we called attention to the fact are to-day residing in foreign countries, that a large sum of money, contributed engaged in various pursuits, but they are by Free Traders, had been raised with citizens of the United States, and may which to establish a literary bureau in New York, to be used for the purpose of breaking down, if possible, the Republican managers who were successful in leading their party to victory last

The plans are now being carried out Senator Quay having been selected as the first victim of the assault. All the vile standers of which the scandal mong ers are capable, together with stories exploded long ago, are, being published in a series of articles, entitled "The Life of Quay," in the New York Post, the lead-Free Trade organ of the country. Most of the charges affecting the private character of Mr. Quay were disproved years ago, but are now rehashed in the hopes that this fact has been forgotten. while the new slanders that have been manufactured for the occasion are being treated as they deserve to be, with dig-

nifled silence The motive is so plain that it cannot fail to prove a boomerang, as it did in the case of the New York World, which undertook the job previous to the engagement made with the Post by the con-

pirators. A contemporary, in com- the Democratic organ is disappointed at menting on the foul accusations, thus seeing the United States Court at every elers to the animus contained in them: session acquitting Republican votes "It was Quay's grand achievement as who were indicted by the Democratic Chairman of the Republican National managers on flimsy grounds, merely for Committee during the Presidential cam- political effect, and to give color to their paign that brought down upon him the claim that there was fraudulent voting concentrated venom of political oppo- In many instances Judge Jackson ha nents and personal enemies. The sheets instructed the juries to render verdicts which stand sponsors for the charges of not guilty, some of the cases being are both Free Trade organs, and have similar to that of Mr. Janes. Taking the keenest realization of the necessity the history of these prosecutions, or of breaking Mr. Quay down as a party rather persecutions, throughout, the leader before another National contest Democratic managers have cut a sorry s in Wheeling and adjacent towns at 15 comes on. A few malignant personal figure. Their claim that a man cannot enemies of his own political faith have reside elsewhere during temporary emjoined in this Free Trade con-spiracy to "discard" the Chairployment there, and still be a citizen of
